

### Treasure Talk

Luke 16:10, 11: "Whoever can be trusted with very little can also be trusted with much, and whoever is dishonest with very little will also be dishonest with much. So if you have not been trustworthy in handling worldly wealth, who will trust you with true riches?"

Herein lies a universal and fundamental truth. It takes fidelity in the little things to qualify for greater responsibilities. Eternal riches cannot be trusted in the hands of those who are not faithful with the temporary.

"Whether therefore ye eat or drink, or whatsoever ye do, do all to the glory of God." 1 Cor 10:31

### Health Nugget

In order to have good blood, we must breathe well. Full, deep inspirations of

pure air, which fill the lungs with oxygen, purify the blood. They impart to it a bright color and send it, a life-giving current, to every part of the body. A good respiration soothes the nerves; it stimulates the appetite and renders digestion more perfect; and it induces sound, refreshing sleep. MH 272
