

Stewardship Talk

Genesis 39:5:“And it came to pass from the time that he had made him overseer in his house, and over all that he had, that the Lord blessed the Egyptian's house for Joseph's sake; and the blessing of the Lord was upon all that he had in the house, and in the field “

Joseph went through the most discouraging experience of being hated, rejected, betrayed, almost killed by his own brothers and sold into slavery. In all these things, Joseph remained faithful and became a blessing to all that were within his sphere of influence. When we choose to be faithful even in hard times, God can still make us a blessing when we apply ourselves as faithful stewards.

Health Nugget

In order to have good health, we must have good blood; for the blood is the current of life. It repairs waste and nourishes the body. When supplied with the proper food elements and when cleansed and vitalized by contact with pure air, it carries life and vigor to every part of the system. The more perfect the circulation, the better will this work be accomplished. MH 271
